As crucial as IT is for success in the modern world of business, it's rare to see an IT training course that emphasizes top-down management. This is what ITIL DITS is all about: how to handle the high-level strategic and business-centric aspects of managing real-world IT. Kickstart your training today!

WHO IS THIS COURSE AIMED AT?

- Organizations wishing to adopt ITIL DITS' best practices
- ITIL 4 students hoping to complete the ITIL 4 Strategic Leader branch of modules
- ITIL 4 practitioners hoping to earn the ITIL Master qualification
- IT managers who require a greater understanding of business-centric management elements
- High-level business managers and stakeholders who require a greater sense of perspective on digital and IT strategy
- Anyone wishing to pass the ITIL 4: DITS exam on the first attempt

WHY TAKE THIS COURSE?

- Good e-Learning has been independently certified as a 'Market Leader' for ITIL training by Course Conductor
- Passing all the ITIL 4 modules is a requirement for reaching the level of ITIL Master
- The course features regular knowledge checks, as well as a practice exam simulator to help students prepare for the official examination
- The course includes interactive modules, instructor-led videos, and other online training assets created alongside highly experienced ITIL 4 experts and practitioners
- This course is fully accredited by **PeopleCert** on behalf of **AXELOS**

WHAT WILL YOU LEARN?

- Exactly how IT shapes business strategy in the world's most successful organizations
- How technology is disrupting different industries and sectors across the globe
- How successful business leaders are responding to the situation
- How to design and implement IT and digital strategies that can thrive even throughout the disruptive environment of modern IT
- Everything needed to pass the exam

IS THERE AN EXAM?

During the training, students must pass four case-study assignments which are graded according to the assessment matrix.

The final exam is a closed-book, multiple- choice exam with 30 questions and a duration of 60 minutes. The pass mark is 70% (21/30).

The test can be taken online at any time via PeopleCert. Candidates will require a webcam and microphone.
